James,

According to the Memorandum of Agreement (MOA) between the U.S. Environmental Protection Agency (EPA) Region III and the Pennsylvania Department of Environmental Protection (DEP), the EPA has reviewed the draft National Pollutant Discharge Elimination System (NPDES) permit for:

Draft Permit: Upper Saucon Sewage Treatment Authority  
Also Known As: Upper Saucon Township WWTP  
NPDES ID: PA0053147  
EPA-Received: August 26, 2015

EPA has chosen to perform a limited review based on the monitoring requirements for Total Dissolved Solids (TDS). As a result of our limited review, we will not be providing any comment related to the monitoring requirements for TDS. If for any reason, the draft permit is modified from the version that was submitted to us on August 26, 2014, please forward a copy of the new draft permit to us for review before issuance.

Should you have any questions or concerns regarding this matter, please contact us.

Respectfully,

Joel
